

iOS Guide – *Connecting to eduroam*

An **iOS device** must authenticate through the **UWP-Wireless Network** before an **eduroam** connection can be made.

iOS Guide – *Connecting to eduroam*

Go to **Settings** > **Wi Fi** > **Choose a Network**

Select **UWP-Wireless**.

A checkmark will appear when the device is connected.

iOS Guide – Connecting to eduroam

UWP WiFi Authentication Screen

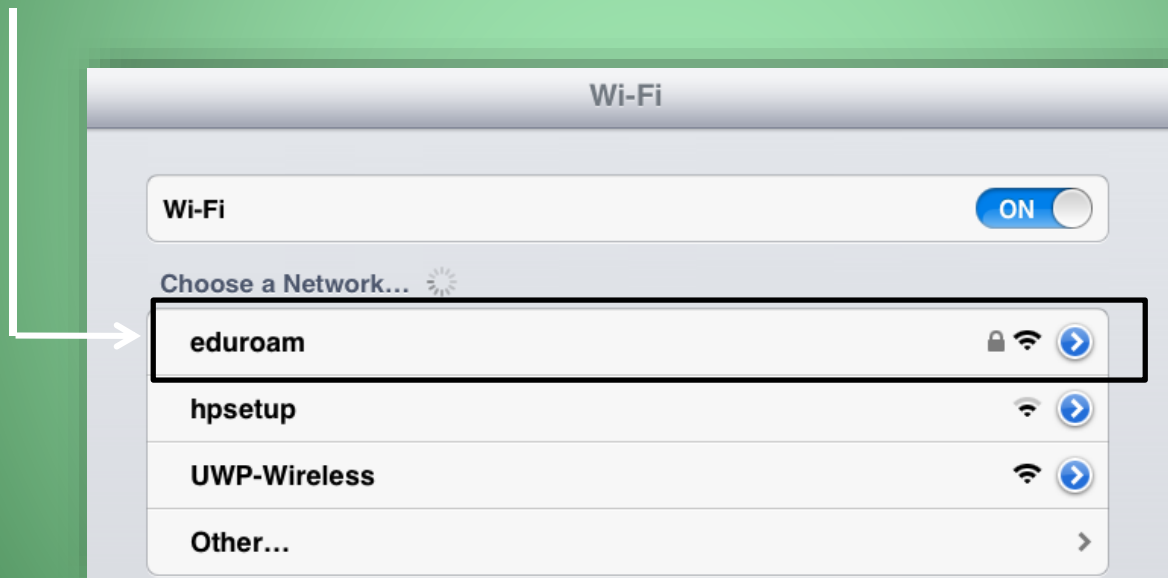

The image displays two versions of the University of Wisconsin-Parkside WiFi Login screen. The left version is a mobile-optimized view, and the right version is a desktop view. Both screens feature a green header with the 'WiFi Login' logo and the university name. The main content area contains a form for entering a 'UW-P Net ID and password', including fields for 'Username' and 'Password', and an 'I Agree' button. A link to 'View our full terms and conditions' is also present. At the bottom, there is contact information for the UW-P Helpdesk at (262) 595-2444 and the University of Wisconsin-Parkside logo. The desktop version includes a 'Cancel' button in the top right corner.

Enter your UWP Username & Password > Click *I Agree*.

iOS Guide – *Connecting to eduroam*

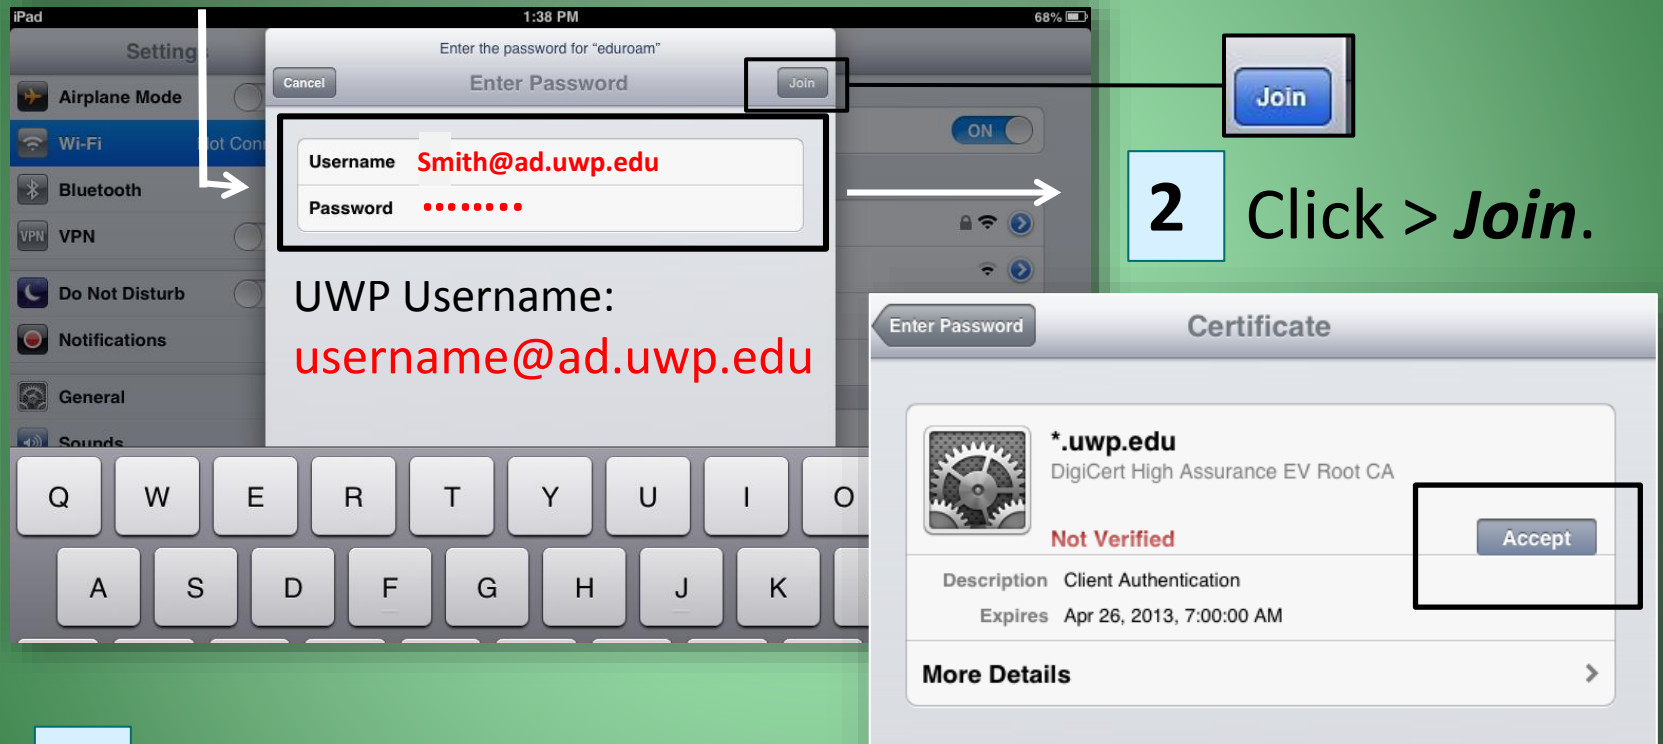

Go back to **Settings** > **Wi Fi** > **Choose a Network**

Select **eduroam**.

iOS Guide – Connecting to eduroam

1 Enter your *UWP Username* and *Password*.
